

MYSORE LEGISLATIVE ASSEMBLY

FOURTEENTH DAY

Saturday 19th December 1959.

The House met in the Assembly Hall, Vidhana Soudha, Bangalore, at Thirty Minutes past Eight of the Clock.

MR. SPEAKER (SRI S. R. KANTHI, B.A., LL.B) in the Chair.

STARRED QUESTIONS

(to which oral answers were given)

Construction of Mahadevapur tank.

*Q.—176. Sri T. D. MARANNA (Magadi).—

Will the Government be pleased to state :—

(a) whether they propose to take up construction of Mahadevapur tank which was prayed for by the ryots of Mahadevapur and Boosandra villages of Nelamangala taluk since a long time ;

(b) whether it is a fact that this minor project was given up for the reason that it is in the Arkavathi valley ;

(c) whether it is a fact that another project by name Gorur tank in Survey No. 47, Ramanahalli village Solur hobli, Magadi taluk, is proposed for execution in spite of the fact that this also comes within the Arkavathi valley ?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) No.

(b) Yes, as it is above Thippagondanahalli Reservoir in the Arkavathi Valley.

(c) No.

Sri T. D. MARANNA.—Is it a fact that in the earlier part of February rain water is stored in Thippagondanahalli and in the rest of the season, water is let out ?

†Sri M. N. NAGHNOOR (Deputy Minister for Public Works).—That is not correct.

Sri T. D. MARANNA.—In the interests of the backward areas will Government release water atleast for minor irrigation purposes ?

Sri M. N. NAGHNOOR.—It is not possible in view of the water potential that is available in Arkavathi valley.

Sri T. D. MARANNA.—Is this the reward the people of the area get for having the grand site from which the people of Bangalore get their water supply ?

†Sri H. M. CHANNABASAPPA.—Water has to be provided to the city of Bangalore and Arkavathi is the only source from which water could be provided. We have, therefore, constructed the Thippagondanahalli tank and the Hessarghatta tank. The requirements of Bangalore cannot be overlooked. I quite sympathise with the Hon'ble member and the people living in the basin, but anyway there are possibilities of creating some facilities and certain facilities could be

† I indicate that the remarks or speeches have not been revised by the member concerned.

(SRI H. M. CHANNABASAPPA)

provided for lift irrigation. Government certainly sympathises with the people and we will examine the possibility of providing irrigation facilities apart from utilising Arkavathi valley above Thippagondanahalli.

feelings of the people and Bhaktas there?

SRI H. M. CHANNABASAPPA.—The feelings of the people is one of the things that would be considered, but there are a number of other points also. If the Hon'ble Member is one of the Bhaktas, I will certainly consider his feelings also (*Laughter*).

Construction of Kamala Dinne Dam in Bijapur District.

*Q.—187. SRI G. N. PUTTANNA (Tumkur).—

Will the Government be pleased to state:—

(a) whether it is a fact that they propose to construct a dam called Kamala Dinne in Bijapur District;

(b) whether it is a fact that this project will submerge the holy places of a number of Shiva Saranars including Kudala Sangama;

(c) whether they will consider not to wound the feelings of Bhaktas and change the site of the proposed dam to Amala Katte?

A.—SRI H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) Kamaladinni site is one of the alternatives which are under investigation for the purpose of construction of Upper Krishna Project.

(b) If the Dam is put up at Kamaladinni up to the level F.R.L. 1660.00; the Sangameswara temple will come under submersion.

(c) A decision will be taken after the several alternatives are investigated fully.

SRI G. N. PUTTANNA.—Is it a fact that an experts committee, of which the Minister is the Chairman, came to the definite conclusion that it was not a fit place for the construction of a tank?

†SRI H. M. CHANNABASAPPA.—I have already answered that the first few borings revealed that it would not be useful, but further borings were undertaken for examining the possibility of locating the site for the construction of a reservoir.

SRI G. N. PUTTANNA.—Will the Government take into account the

Supply of Water to Yellappa Naikana, Hoskote Hobli in Pavagada Taluk.

*Q.—213. SRI P. ANJANAPPA (Sira).—

Will the Government be pleased to state:—

whether they have considered the possibility of supplying water to Yellappa Naikana, Hosakote Hobli in Pavagada Taluk, by constructing a feeder channel from Vedavati river flowing in Parasurampura Hobli, Chitradurga District?

A.—SRI H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

Yes.

ಶ್ರೀ ಪಿ. ಅಂಜನಪ್ಪ.—ನನ್ನ ಪ್ರಶ್ನೆಗೆ “ಹೌದು” ಎಂದು ಉತ್ತರವನ್ನು ಕೊಟ್ಟಿದ್ದೀರಿ. ಆ ರೀತಿ ವಿಚಾರ ಮಾಡಿದ್ದರೆ, ಯಾವಾಗ ಆ ಕಾರ್ಯವನ್ನು ಕೈಗೊಳ್ಳುತ್ತೀರಿ?

†ಶ್ರೀ ಎಂ. ಎಸ್. ನಾಗನೂರ.—ಅಲ್ಲಿ ಸರ್ವೆ ಪರಿಶೀಲನೆ ಮಾಡಿದ ಮೇಲೆ ಆ ಹೋಬಳಿಗೆ ನೀರನ್ನು ಒದಗಿಸುವುದು ಸಾಧ್ಯವಿಲ್ಲ ಎಂದು ಕಂಡುಬಂದದ್ದರಿಂದ, ಆ ಯೋಜನೆಯನ್ನೇ ಆಗ ಬಿಟ್ಟು ಬಿಡಲಾಗಿದೆ.

Revision of Survey Settlement in the State.

*Q. 229. SRI G. B. SHANKAR RAO (Hirekerur).—

Will the Government be pleased to state:—

(a) the year in which revision of survey settlement began in the State;

(b) whether it is now completed;

(c) if not, how long it would take for its completion?
